Canadian Canoe Routes is an online meeting place for those who enjoy exploring the lakes and rivers of Canada by canoe.

Inside, you'll find hundreds of route descriptions, trip reports, gear information and reviews, recipes, tips, tricks and techniques and active discussion forums. In addition, there is a wealth of Route Resource Information. All of Canada is included & selected areas of the US. And of course, the heart & soul of CCR is its members - a large community of paddlers from across the country & even quite a few from other countries - in particular, our neighbour to the south, the US and a few from Europe!

The CCR website is owned and operated by the Wilderness Canoe Association (WCA). Support in terms of manpower and website expenses are covered by online advertising and WCA volunteer manpower. The WCA is committed to keeping the CCR website open and free to the public. So please help us support this by signing up as a WCA member today.
